## Notices

If a shareholder is unable to attend the general meeting, he/she/they may appoint a person of their choice to take part and vote on in their place.

1. The proxy must be made in written form, dated and signed, and the proxy's name must be appended by the shareholder and not third parties;
2. Powers of representation may be granted only in respect of individual general meetings, effective also for subsequent sessions if the meeting is adjourned, save in cases where:
  - (i) a general power of attorney is issued; or
  - (ii) a proxy is granted by a company, association, foundation or other collective entity or institution (the "Entity") to one of its own members of staff;
3. in the cases described under the foregoing points 2 (i) and 2 (ii) and in all cases where the shareholder is an Entity, a copy of the documentation granting powers of representation should be attached to the proxy to be filed in the Company's records;
4. the person or persons authorized to act as proxy may not in turn issue proxies or allow themselves to be replaced, unless the shareholder has expressly conferred this right and mentioned the name of the person authorized to replace the proxy;
5. if the proxy is granted to an Entity, the Entity may only confer the right of representation on a member of its own staff or another of its collaborators;
6. the proxy may also be issued to an individual who is not a shareholder of Mediobanca;
7. powers of representation may not be granted to directors, statutory auditors or employees of Mediobanca nor to companies controlled by them or to their directors, statutory auditors and employees; furthermore, powers of representation may not be conferred on the company mandated to audit Mediobanca's accounts, nor to its shareholders, directors, statutory auditors or employees, nor to the company responsible for centralized management of financial instruments;
8. the proxy holder may not represent more than 200 shareholders (if no solicitation or proxy collection operation is underway);
9. in the case of co-ownership of shares, the proxy must still be issued with all the co-owners' signatures, even if the proxy himself/herself is one of the co-owners.
